

THE MOSAICS

JANUARY 2020

FROM THE DIRECTOR'S DESK

Greetings from Arete Homes!

I would like to take this opportunity to wish each and every one of you a prosperous New Year, We look forward to do some great performance this year 2020.

Ponneri is fast developing to become the future growth of 'Smart City' in North Chennai, with several mega infrastructural developments in the anvil. There is no wonder that Ponneri would see a huge boom in the residential sector. Our A3 - tower is already 80% occupied & A4 is ready for fit out, We are nearing completion of one more tower A5 with finishing works going on in full swing, with the festive season starting, this is the perfect time to visit our model apartments and make a smart move by choosing an Arete Home.

Customer Testimonial

We own a 2BHK lifestyle apartment at Arete homes, a luxury project by Prime Lifespace at Ponneri. The apartment worth every penny and the construction quality is very good. The through bred professional marketing team of Arete homes was very helpful in not only securing home loan but also assisting us throughout the home buying process till the end. The ethical work of Arete Homes the timely delivery has impressed us immensely. I will surely recommend prospective home buyers to buy homes at Arete homes.

Employee Testimonial

I am a proud employee of Prime Lifespace for almost 4.5 years now, and it is a great feeling to be a part of such a committed team. I have seen this project progress from ground up to where it has reached now – almost close to possession, and of the key aspects that keeps me going is the passion that I see within the team to deliver a quality product. We strive hard day in and day out, in order to achieve our mission – to provide a world class township in an area which we see growing fast in the near future. The motivation for me to work here comes from the fact that we work like one big happy family!
