designed to accommodate modern fast pace life. Awarded by Times Realty Icon as 'The Best Upcoming Township'

The group has also developed a larger-than-life private club house 'Ponneri Gymkhana Club' that sprawling across 60,000 SQFT. Designed with international standards, PGC serves wide range of recreational, sporting & entertainment facilities like multi sports arena, squash courts, gym, pool, restaurants, banquet halls, guests & conference rooms, virtual golf - 'Everything Under One Roof'

Their visionary team with strong technical experience has built a conch shaped meditation center, a true work of art where one can reconnect his mind, body and soul. Also, the team has successfully executed 5MW solar power plant. Contributing to the society, the group developed Ganga Jal Kund in Tirupati.

FUTURESCOPE

Prime LifeSpace is a brand built on trust, transparency & quality in real estate industry. The Brand Prime LifeSpace has established its credentials in development of residential integrated townships & consulting services. Both these segments are equally important to us.

Currently they are engaged with Smart Township development in North Chennai, which is in various stages. Parallely, coming up with developments in Mumbai in areas like Alibaug, Khopoli, Chembur, & Chennai (Sriperumbudur). "Our future projects will be strategized according to the market demand & executed with the new requirements of the home buyers providing them with beautiful holistic living. Our township is an 'INVESTMENT HUB' as they fetch highest rental yield in the entire country. To boost sales, we are putting continuous efforts to strengthen our digital experience according to the client's needs. Our team stands by the motto to deliver timely, as promised & will continue doing so. Being technically capable & equipped with right resources we set gold standards for customer centric design, quality and safety" said Mr. Rajeev Ajmera, Founder & MD of Prime LifeSpace.

Prime LifeSpace aims to make a positive difference through their work, with a vision of creating self-reliant townships where people experience excellence and happiness. They say, "We aspire that our brand act as a key catalyst in boosting livability quotient, attract global fund & investors & create positive impact on society that endeavors".
